

# ROBERT'S RULES OF ORDER

By Robert Taylor

Rules I gave my kids one day

#1 You are not God!

#2 It is a good thing that you are not God!

#3 Because you are not God, you need to *let God be God, i.e. "You are not in charge!"*

#4 God *will* do His part; you need to focus on doing yours!

#5 When God *needs your help*, He will ask for it!

#6 If it seems like you are a long way away from God, He is *not* the one that has moved!

#7 Be as *forgiving* of others as God has been toward you!

#8 You are the only plan that God has for reaching this world!

#9 God does *more in spite of you*, than He does because of you!

#10 Return to Rule #1 and remember that: You are not God!

*To Become God-Driven we must be broken, use-able, crucified and committed!*
