## **Preface**

The Babylon Rising presentation is in two forms on You Tube. One form is a continuous video, the other is divided into 13 shorter segments. The shorter segments are easier to get through. These notes are taken from the 13 segments and are indicated as such using 1/13, 2/13, and etc.

My Comments:

In 1/13 at 8:00 Rob notes that the angels fell on Mt. Hermon which is 33.33 degrees from the Paris Prime Meridian. Then he implies that this means something. But the Paris Prime Meridian is arbitrarily set by men long after the angels fell, so unless there is something significant about the Paris Prime Meridian, this point is meaningless. – from David Flynn

Rob could stand do a little more research. ☺ He calls Greenwich “Green Wich” It’s pronounced Gren-itch.

Now, it could be that the Nephilim set the Paris Prime Meridian and gave it to men. That would be meaningful, but such was not proposed.

Scripture says Abaddin and Apollyon are names of an angel who was put into a bottomless pit.

Revelation 9:11 And they had a king over them, *which is* the angel of the bottomless pit, whose name in the Hebrew tongue *is* Abaddon, but in the Greek tongue hath *his* name Apollyon.

Many of the things Rob Skiba says make a lot of sense. However, often after he’s drawn a reasonable conclusion from the information, he pushes it a step further with speculation. Then he pushes that speculation again further. And sometimes he pushes it a third time to reach some pretty unfounded conclusions.

Often, Rob will say, “I’m not saying you should believe this. I want you to check it out for yourself.” But then he’ll say, “...But this is what the LORD has revealed to me.” In reality, he’s saying, if you disagree with me, you’re disagreeing with God. The problem is, God didn’t tell him any such thing. He concluded those things from his own speculations. His conclusions may be correct, but they could just as easily be incorrect.

## **The first shall be last**

**1/13**

03:10  
Matthew 24:37

[37] **As it was in the days of Noah, so it will be at the coming of the Son of Man.**

What differentiates the Days of Noah from any other time in human history? The Days of Noah will be like the days at the coming of the Son of Man; not like all the days in between.

It's not just when the flood occurred. Noah's days extended well beyond the flood. Noah lived 350 years after the flood!

What makes them the same (days of Noah and the coming of the Son of Man)?

1. The creation of Human/animal hybrids and 2. the creation of Inter-dimensional portals

### ***The Genesis 6 experiment***

v.1-4

[4] The Nephilim were on the earth in those days—and also afterward—when the sons of God went to the daughters of men and had children by them. They were the heroes of old, men of renown.

These are angels, not the sons of Seth.

How do you produce giants if they were simply the offspring of Seth?

The “Sons of God” are angels throughout the other texts. (See Job 1:6 and 2:1)

## **Babylon Rising**

Video series by Rob Skiba

Rob shows a chart of eight documented giants throughout history:

8'6" 12' 15'18" 19'6" 23' 25'6" 36'

05:50

The Carthaginians found the skeletal remains of a 36-foot man in 650 BC.

Numbers 13:33

[33] We saw the Nephilim there (the descendants of Anak come from the Nephilim). We seemed like grasshoppers in our own eyes, and we looked the same to them."

Amos 2:9 describes the Amorites as the size of cedar trees

[9] Yet destroyed I the Amorite before them, whose height *was* like the height of the cedars, and he *was* strong as the oaks; yet I destroyed his fruit from above, and his roots from beneath.

Were these just tall tales being told or should we take them at face value?

I believe we should take God's word in a straightforward manner, as written. It's written in such a way to convey a clear meaning, we shouldn't assume God is making things up just because we lack faith.

Grown cedar trees are 35-150 feet tall!

06:47

Extra-Biblical Texts go into more detail about what happened in Genesis 6. The Book of Enoch says that 200 fallen angels, a class of angels known as the Watchers, landed in southern Lebanon at Mt. Hermon. The mountain and plains of the region sort of form the shape of the head of a goat.

One of the worst of the fallen angels was one by the name of Azazel. Azazel is associated with a goat. (a scapegoat)

Azazel Leviticus 16:10

07:56

33.33 Degrees North and 33.33 degrees East of the Paris Prime Meridian.

Nephilim were produced as a result of the mixture of species: Angels and humans, and animals and humans.

## **2/13**

Nimrod built a tower that might "reach" into heaven.

God wasn't concerned with height. "Whatever they imagine to do will not be impossible for them." Genesis 11:6

They were building a stargate; a portal, and inter-dimensional pathway

Three groups aligned with Nimrod

CERN – Their objective is to re-create the big bang. Looking for the “god” particle. In their front lobby, they have Sheba, the Hindu god of destruction coming through a portal

Babel: from 1 language to 70 Languages

They all knew and followed Nimrod, but each language had its own name for him.

Names of Nimrod:

Nimrod	<b>Gilgamesh</b>	Baal	Melqart	Adonis	Dumuzi
Dionysus	Bachus	Mithra	<b>Orion</b>	<b>Apollo</b>	Tammuz
<b>Osiris</b>	and many more				

## The Beast vs. the Anti-Christ

Identifying the beast: Revelation 17:8-22

Comes from the bottomless pit

[But we know of no bottomless pit]

The Beast that was who was, is not, and will be again

Antithesis of Christ

Seven heads: Seven kings

(From Peter Goodgame's work)

The seven heads of the Beast:

“Five who have fallen”:

Nimrod

Pharaoh (At the time of the Exodus)

Sennacherib

King of Tyre

Antiochus Epiphenes (or Alexander the Great could be #5)

[Rob seems to have blended Daniel 8:9 the “a little horn which waxed exceeding great”, and Daniel 8:21 “the great

horn that is between its eyes is the first king”: Nimrod was  
the first king in the Bible.]

“Now is”: Nero (or Dometian) Some Caesar, at the time John wrote  
Revelation

### **3/13**

“Yet to come”  
Hitler [?]

#### Revelation 13

One of his heads has a mortal head wound that is healed.

Which one had a mortal head wound?

The book of Jasher says Esau cut off Nimrod’s head right before he sold his birthright for a bowl of lentil stew. According to the Book of Jasher, the reason Esau was so quick to sell his birthright is because he was being pursued and believed he was going to die very soon anyway.

IN the Old Testament, the “end time Tyrant” was given the title of “The Assyrian”. Only one of these guys was an Assyrian: Nimrod Revelation 23:3,4 similar to writings in the “Epic of Gilgamesh” Nimrod (Osiris) is referred to as King of Kings and Lord of Lords in Egyptian writings. He is the only other figure referred to in this way in all of the ancient writings. His (Nimrod:Osiris’\_ symbol is an Ankh: a form of a cross, but Nimrod:Mithra, Tamuz, and other names were known by the symbol of a cross. The Roman Sun god was Mithra. Jesus was crucified on the symbol of the Roman Sun god.

These figures are depicted as dying and resurrecting Sun gods.

Dying and resurrecting gods are usually associated with December 25. Many similarities, but he is the antithesis  
He rules from elsewhere.

Revelation 9:11 Apollyon: Nimrod [But the verse says he is an angel] So  
Nimrod is not a Nephilim, but a fallen angel  
The Tomb of Osiris, found in 1999. the bottom of the chamber has a shaft that is referred to as “the shaft of the bottomless pit.”

2003, the body of Gilgamesh was found in the desert of Iraq.  
The whole point of the “Human Genome Project” is to locate specific genetic markers for disembodied spirits to reanimate their host bodies when they are brought back.

Which God in the Bible?

## **Washington, DC**

The roof of the train station is lined by pagan gods  
“Thou hast put all things under his feet” standing next to Zeus!  
DC is full of Zeus worship  
They made a government commissioned statue of George Washington to look  
like Zeus  
Hercules and Apollo are at its base

Washington Monument is the Phallus of Osiris 6666” tall above ground. With the  
extension underground it is 666’ total. 666” inches at the base.

David Barton maintains we were founded as a Christian country  
But there were Rosicrucians, Illuminists, Free Masons, Occultists, and etc. who  
came over, and they were the ones who built the buildings and set up the  
nation’s symbolism

Osiris was cut into 14 pieces. Only 13 were found. The 14<sup>th</sup> is his obelisk

Betsy Ross flag: 13 colonies, 13 stars, 13 stripes  
It’s all made up. Betsy Ross never made a flag  
Francis Hopkins was most likely the creator of the flag. He had a significant role  
in creating the seal of the US

### ***What does DC mean?***

District of Columbia

***Who is Columbia?*** – she is on the top of the capitol building  
E Pluribus Unum: It does NOT mean out of many states to one. It means “Many  
names, One god.”

A symbol’s iconography must harmonize with itself  
Continuing in Washington, DC...

Inside the capitol building, there is the original sculpture of Columbia  
“The Temple of Liberty”  
She is known as the queen of heaven

## **Babylon Rising**

Video series by Rob Skiba

She has many names. Some of her other names are: Semiramis, Ishtar, Isis, Venus, Columbia, Liberty, Diana, just to name a few.  
She is the wife of Nimrod

Nimrod is the son of Cush

Cush had a daughter named Semiramis

Semiramis became Cush's wife (Cush married his daughter) and had a son named Nimrod

Semiramis is Nimrod's half-sister and mother.

Then Semiramis married Nimrod and became Nimrod's wife while at the same time was already his step-mother and half-sister. [She must have really been attractive]

When Nimrod (Osiris) was killed, his body was cut into 14 pieces, of which only 13 were found. They did not find his "piece."

Semiramis fashioned an obelisk in place of Nimrod's missing piece

She uses it to get impregnated and becomes the mother of Horus/Tammuz who later marries Semiramis!

Semiramis is the Whore of Babylon

Our country is dedicated to her! Our country clearly worships the Whore of Babylon.

Out of one person, many names

Our founding fathers were Deists, not Christians!

## **5/13**

The dome represents the womb of Isis (or Columbia)

In the Rotundra (you will know them by their fruits) around the top is a frieze of American History.

Sequentially soon after Christopher Columbus in the frieze, you see Montezuma and the Aztecs! And their calendar stone! What does this have to do with American history?

The further up you look, the more occult-like it gets.

Looking straight up, you see 72 pentagrams (an occult "binding number")

The apotheosis of George Washington: Turning a man into a god

Around the scene, do you see Abraham, Moses, Elijah, Jesus even? No!

You see Neptune, Ceres, Vulcan, Minerva, Columbia, Mercury, the messenger to the gods taking notes.

You see absolutely NO Christian symbols at all!

This painting was finished in 1865, the year Abraham Lincoln died.

Lincoln was the first president to undergo the "Lying in State" ceremony that all presidents since that time have undergone. – Ascending into apotheosis –

***The Aztec Calendar Stone***

Your dollar bill

Pyramid – 72 stones in 13 steps. At the base: 1776 in roman numerals

Each step is a Katun. A Katun is a unit of time: 19.7 years

Cycles of 13: 1756 – 2012

Front of the symbol depicts the “eagle.” Manly P. Hall had a hand in designing the seal says it’s a phoenix or b’nu, the soul bird of Osiris that represents resurrection.

It has “e pluribus unum” in its beak

Charles Thompson also had a hand in designing the seal

“Annuit Coeptus”: Favors Undertakings (an incomplete phrase)

Inspired by Virgil: Jupiter/Zeus: The seat of Satan in Pergamum  
(Revelation 2:13) is the Altar of Zeus.

It’s requesting Lucifer’s approval

Novus Ordo Seclorum: New order of the ages

Dollar bills are **Talismans**: They are infused with evil symbolic gestures and evil power.

The dollar is saying: (reading left to right) Zeus/Satan favors our undertaking, that which we do under Osiris’ watchful eye, \*\*\* started in 1776 and completed in 2012. At that time, we will usher in the new order of the ages. It is in you, O Lucifer that we place our trust. Like a phoenix rising out of the ashes of death under the sign of Saturn, Apollo/Nimrod will rise again. Thus, the one [false] god represented by many names shall reign anew.

The Star of David is not the star of David! It is the Star of Remphan! Acts 7:43 (See also Amos 5:26)

[43] Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon.

Warnings from Jesus

False christs will arise

Matthew 24:24

[24] **“For false christs and false prophets will rise and show great signs and wonders to deceive, if possible, even the elect.**

“If its possible” But Peter, Paul, and even Jesus say: “Be not deceived” Clearly it is possible.

It might be better read, “Pay attention!”

'Where the carcass is, there the eagles will be gathered together'  
Some translations say "vultures"  
But the word is "eagles"

On the other side of the train station in Washington, DC are two eagles  
(Remember, Manly P. Hall says they are phoenix's),  
"Let all the ends thou amidst at be thy country's, thy god's, and truth be noble and  
the nobleness that lies on other men- sleeping but never dead, will rise in  
majesty to meet thine own."  
HmMMM..

Obama's presidency.)

The Egyptian god Anubis tours the US  
Anubis was the god of the underworld until Osiris went down there and usurped  
his leadership. Now Anubis serves Osiris. Anubis was the god that  
oversaw the mummification process. Osiris was the first to be mummified.

A large ornate stature of Anubis toured the US and was displayed in front of  
Denver International Airport (DIA) for almost a year.  
DIA is a high-occult facility (He refers to the huge rearing horse statue with  
demonic red eyes)

Red lunar eclipse over Orion for 72 minutes

3:22 eastern time

The moon looked like a floating decapitated head over Orion. Remember, Orion is Nimrod.

At the same time Iraq had just announced its fully-formed government

Babylon is rising

The entire planet is shaking. Live video of Internet seismic servers are all indicating seismic activity

Massive fish and bird die-offs – breed specific:

They added Ophiucus to the zodiac (13 zodiac symbols now?) also known as Asclepius, God of healing, serpent handler

Known for raising Orion from the dead and for emptying Hades

This may all be leading up to the resurrection of

***Timeline: The Omega Plan***

When shall these things be? Matthew 24:3-4

strippers managed to knock down three buildings with two planes in New York, while in Washington, a pilot who couldn't handle a single-engine Cessna was able to fly a 757 in an 8000 foot descending 270° corkscrew turn to come exactly level with the ground, hitting the Pentagon in the Budget Analyst's office where DOD staffers were working on the mystery of the \$2.3 Trillion the Defense Secretary, Donald Rumsfeld, had announced missing from the Pentagon's coffers the day before... Luckily, the News Anchors knew who did it within minutes [Osama bin Laden], the pundits within hours [Osama bin Laden], the Administration knew within a day, and the evidence literally fell into the FBI's lap: "...that a hijacker's passport was found blocks from the World Trade Center crash site, if you can believe that." But for some reason, a bunch of crazy conspiracy theorists demanded an investigation into the greatest attack on American soil in history. That investigation was delayed, underfunded, set up to fail, a conflict of interest, and a cover-up from start to finish. It was based on testimony extracted through torture, the records of which were destroyed. It failed to mention the existence of WOTC7, Abel Danger, p-tech, Sibell Edmunds, OBL and the CIA, and the drills of hijacked aircraft being flown into buildings that were being simulated at the precise same time that those events were actually happening....

...

2003 What if the Nephilim could somehow rise up – could somehow be “reconstituted within a body” It may have actually happened with Nimrod → Gilgamesh, the giant They found Gilgamesh's remains in remarkable state of preservation.

At the Iraqi invasion, Iraqi museums underwent massive theft.  
170,000 artifacts were stolen. 15,000 of which have no registration records.

Nimrod IS coming back (per Rob Skiba)  
Beast: Greek: Therion like a strange were wolf

## 10/13

Will Nimrod rise, or will he be hosted inside a world leader? Don’t know.

There is peace. There is no hunger. Honesty, courtesy and kindness.... The world has never been more perfect. It is no longer your world.

Trailer to Movie: The Host “You will be One of us”  
Is this how he will be presented?

Rob believes this is talking about the “mark of the Beast.”

Transplant memory (Discussed in greater detail in the Archon Invasion seminar)  
Organ transplants receive skills they never had before, memories and dreams not from their past

A soul enters the body upon a transplant.

Life is in the blood

Abel’s blood cries out from the earth

Rob believes there is a spiritual component of DNA

**Babylon Rising**  
Video series by Rob Skiba

DNA is information

The “mark” will re-write your DNA. (L. A. Marzulli believes this)

Once you take the Mark of the Beast, it cannot be taken back  
You are not redeemable after this!  
They beg for death and death eludes them – they cannot die  
They are cast alive into the lake of fire

Coming out of Babylon (Revelation 18:4)  
You can't fix Babylon with Babylon  
“Come out of her, my people”

## 11/13

There is no political solution for a spiritual problem.  
The problems in the world and in this country are spiritual problems.  
Your votes don't really matter.

All US presidents except Martin Van Buren are related to the former King of England: John Lackland *Plantagenet* signer of the Magna Carta in 1215. Dick Cheney and Barack Obama are 8<sup>th</sup> cousins. If you go back 8 generations, there is a common ancestor. Barack Obama and George Bush are 11<sup>th</sup> cousins.

This bloodline can be traced back to ancient Sumer and Babylonia. These “human familiars” or “pets” of the demonic angels have worshipped Satan and his minions under many forms from the time of Sumer right up to our present day.

Coming out of Babylon only requires one thing: repentance.

2 Chronicles 7:14 “If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.”<sup>1</sup>

Truth or Tradition

George Barna: you will rarely find the practices of the church in the scriptures

Lord, what is the truth?

You have to come out of the matrix

Being alone with God in the wilderness helps to purge the matrix

---

<sup>1</sup> I do not believe this scripture applies to us in our current day. We are not called by God's name. Israel is.

## “Christian” Holidays

All of our holidays honor Nimrod

- Christmas is the birthday of Zeus/Mithra/Osiris/Nimrod (Saturnalia)

## 12/13

00:00...

September 11 is Jesus birthday based on Revelation chapter 12.

Revelation 12:1-2,5

“And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: And she being with child cried, travailing in birth, and pained to be delivered. ... And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and *to* his throne.”

The sun in Virgo moon at her feet and 12 stars at her head... You can download free star-tracking software at Stellarium.org. Set the time back to the year -2 (which is equivalent to 3BC), September 11 of that year, and you will see what is described in Revelation 12

These are well known astronomical symbols. Scorpio was known as the dragon. <http://www.michaelsheiser.com/Videos/Rev12/Rev12.html>

Revelation 12 is about the birth of Christ. The signs and symbols used are well known astronomical symbols today as they were when John was writing Revelation.

“Clothed with the Sun” is an astronomical term meaning the Sun is in the constellation. Virgo is the only constellation that is represented by a woman. For 20 days, the sun is in Virgo. You have the moon at her feet. This only occurs in an 80 minute window within that span of 20 days. The sun is in her mid section, symbolic of pregnancy.

Crown of 12 stars [This was not clearly demonstrated. On performing some Google searches, there is a wild range of explanations. None were convincing as to which “stars” were the twelve.]

There is a narrow window in which these signs occurred

- Lent: Weeping for Tammuz<sup>2</sup>

Ezekiel 8:14 “Then he brought me to the door of the gate of the LORD'S house which was toward the north; and, behold, there sat women weeping for Tammuz.”

- Easter – [Ishtar](#) bursting out of an egg – bare-breasted fertility goddess. Ishtar is Nimrod's wife; Columbia. Some of her other names are: Semiramis, Ishtar, and Isis
- Valentine's day – festival of Lupercus
- Halloween – day of the dead and evil spirits
- Thanksgiving – Dedicated to the goddess of harvest, Ceres –Cerelia<sup>3</sup>
- Sunday worship – Constantine: changed the Sabbath to Sunday.<sup>4</sup>  
[Well, I have no issue with that, since Christians were never enjoined to worship on the Sabbath. The early church met on the first day of the week. Besides, I was never aware that the Sabbath was ever changed to Sunday. It has always been Saturday in my religious upbringing. It's just that Sabbath as a Holy day was never given to the Gentiles.]

We're celebrating on Nimrod's days!

As Christians, we should replace the pagan holidays with God's appointments:  
The Holidays of YHWH

Passover  
Unleavened Bread  
First Fruits  
Pentecost  
Trumpets  
Atonement  
Tabernacles

The first four were given before the law was given  
They line up with what Jesus has done and will do  
These divine appointments are a script representing God's plan

---

<sup>2</sup> While some have linked Lent to “Weeping for Tammuz,” the link is very weak and about the only similarity is the 40 days. While there is no scriptural indication or Apostolic precedent, I see no reason to link Lent with Tammuz. It's a stretch to do so.

<sup>3</sup> I'm not convinced about this. The pilgrims never did this, and when Thanksgiving was made a national holiday in 1863 by Abraham Lincoln, I don't think Ceres/Cerelia was on his mind. It seems as if Rob is saying any celebration of a bountiful harvest is necessarily dedicated to Ceres/Cerelia.

<sup>4</sup> Regardless of whether Constantine changed the Sabbath to Sunday, Christians are not obligated to follow the Law. Christians are not commanded to worship on the Sabbath. Personally, I was taught the Sabbath was Saturday. I always thought it odd when a Christian described Sunday as the Sabbath.
