Introduction

“Our ancestors misinterpreted extraterrestrials as gods.”

IN the last several years, some common themes have shown up in movies. What do these three movies have in common?

Avatar, Clash of the Titans, Percy Jackson and the Lightning Thief
Super-Human-Hybrids save the world
In the second two, it’s the son of a god that saves the world.

Ken Johnson “Ancient Post-flood History”
Noah and his sons lived to be about 600 years old
The next generation lived to between 400 and 500 years of age
Abraham’s generation lived to only about 200
From Moses to today, people live until about 120 [at most!]

03::31
Before the flood, people lived more than 900 years
The younger generations tend to look at previous generations as immortals, or even gods.

The beginning of the coming Great Deception:
Genesis 3:4-5
“Ye shall be as gods, knowing good and evil”

“Thou shalt have no other gods before me.”
Who are these other gods, and why is God concerned about them?
10::57

King Welles “Ancient Myths and the Bible”
“I believe the Bible is the inerrant word of God and therefore we have to believe that much of what we call Myth cannot be fiction or a lie. Many of the themes that exist in ancient mythology exist in the Scriptures.” –King Wells, Jr.

When we view the Bible from a Mythological worldview (in which the Mythologies are considered reality), the Scriptures become much clearer.

Jesus says, “If you’ve seen me, you’ve seen my Father.” How does this comport with the God we see in the Old Testament?

This can be clearly understood with the introduction of entities called, “The Nephilim.”

Jesus said, “As it was in the days of Noah, so shall it be at the coming of the Son of man.” — Matthew 24:37

14::04

**As it was in the days of Noah:**

![days_of_noah.png](attachment://days_of_noah.png)
Nephilim taught humans the art of mixing between species (Transhumanism)

Noah lived 600 years before the flood, and 350 years after the flood
16:02
God created the 4-legged dinosaurs (vegetarian)

[Rob believes the Watchers and the Nephilim created the “terrible” dinosaurs. He says you don’t see pictures of T-Rex with man. — But in Scandinavia, you do!]
Genesis 6:12-13
1 Enoch 7:5 They [the Nephilim] began to sin against birds, beasts, reptiles, and fish…

Jasher 4:18b taught the mixture of animals of one species with another
Jubliees 5:2b everything that walked on the earth were all corrupted in their ways and their orders and they began to devour each other.

19::27
What about Centaurs, Minotaurs, and etc? In Crete, you see images of these creatures everywhere!

Today, we have artists (movie producers) creating mythological creatures like Yoda and so on. Four-thousand years from now, no one is going to remember Yoda. He’s imaginary—sort of a modern mythology. Why did the people in the Greek isles still have these creatures so strongly in their collective consciousness if all they were was a creation from the imagination of a blind poet named Homer?

Rob believes these guys are real. Satyrs show up in scripture.

Scientists today have cloned a sheep with a human heart.

Movie called “Splice” goes directly to the issue of trans-humanism.

Scientists are actively at work to mix human and animal species together to gain super-human abilities. DARPA is looking into this as well. “How can we improve on mankind.”
Extended lifespan, extended thinking capacity, “We could build gods!” 28::50

Those days shall be shortened

Mixing of humans and machines
Mens’ hearts failing them for fear of what is coming upon the earth 30::18
We’ve seen movies with mile-wide space ships hovering over cities and so on. We’ve been set up.

Starting perhaps with Orson Welles, “War of the Worlds,” “they” were testing the waters to see how people would respond. People flipped out! Since then, there has been a steady diet of flying saucers, space ships, and etc., in Television, Movies, Pop-culture, such that people are now expecting it.

Indeed! A huge space ship parked over Stephenville, TX a few years ago! Many of the town’s people saw it, including the Sheriff and the Mayor.

**We’re being prepped to accept it**

UFO sightings have increased exponentially. (More on that in the Mount Hermon — Roswell connection)

The UN has appointed an “Ambassador to Aliens.”

32::50
“God and Adam on the ceiling of the Sistine Chapel” Except that it's not really God.

Increased Fallen Angel activity and the production of Nephilim offspring
Genesis 6:1-4 “…They were heroes of old, men of renown.”

Giants (“men of renown”)

In the Scriptures, we have references to large people.
Goliath 9-12 feet
Og of Bashan 18 feet tall (Deuteronomy 3: 11 (For only Og king of Bashan was left of the remnant of the Rephaim. Behold, his bedstead was an iron bedstead; it is in Rabbah of the sons of Ammon. Its length was nine cubits and its width four cubits by ordinary cubit.))
Early Canaanite giants: 24-36 feet. They could have been as large as 150 feet.

Amos describes giants potentially 150’
Amos 2:9 “Yet it was I who destroyed the Amorite before them,
Though his height was like the height of cedars
And he was strong as the oaks;
I even destroyed his fruit above and his root below.
35 to 150 feet

The pre-flood giants were way bigger than that! The extra-Scriptural texts describe them as 3000 ells (equals about 300 cubits, so an ell is 0.1 cubits). About 450 feet. The Greeks could imagine this. They called them the Titans.

36:22
Is there any evidence these guys were real?
The Scriptures should be enough evidence, but there is physical proof.

“Genesis 6 Giants” by Stephen Quayle
36::48

**Post-flood – sons of Ham**

Numbers 13:27-33 - The first appearance of post-flood giants after the flood, and even mentions the Nephilim.

This passage seems to indicate that Nephilim, rather than fallen angels, produced these giants (supporting Skiba’s position of Nephilim DNA coming through the flood instead of L A Marzulli’s belief in a “second incursion” of Angels mating with humans after the flood).

Amos 2:9 the Amorites (who were descendants of Canaan) were as tall as cedars. Up to 150 feet. Is God exaggerating?

Post-flood, you don’t see any mention of angels related to the existence of giants, you see them coming through one (and perhaps two) of the sons of Noah.
The land of Canaan was full of giants.

Mitzriam: Egypt had a son named Caphtor who was the father of the Philistines

Genesis 10:14 And Pathrusim, and Casluhim, (out of whom came Philistim,) and Caphtorim.

Jeremiah 47:4 Because of the day that cometh to spoil all the Philistines, and to cut off from Tyrus and Zidon every helper that remaineth: for the LORD will spoil the Philistines, the remnant of the country of Caphtor.

Amos 9:7 Are ye not as children of the Ethiopians unto me, O children of Israel? saith the LORD. Have not I brought up Israel out of the land of Egypt? and the Philistines from Caphtor, and the Syrians from Kir?

There were at least 5 philistine giants

39::20
Caphtor settled the Island of in Crete. All of the Greek gods originated in Crete.

There is no evidence of giants in Put’s lineage (Lybia)

Cush > Nimrod = likely a giant

There was no evidence of Nephilim seed in Shem; the Messiah comes from Shem and that seed must be pure.

Japheth:
Recently, there is evidence of at least two giants potentially in Japheth’s line: Gog and Magog. In the UK, there is a celebration called the Lord Mayor parade in which they march huge statues of God and Magog down the streets. Supposedly these two entities had a part of first settling the British isles.

40::38
Lucifer was outnumbered 2 to 1 with regard to the Angels. But with regard to man it seems it’s flipped: one third good, two thirds corrupt.

40::55

Genesis 10: The Table of Nations

Rob believes that by the time of the tower of Babel, there were only a few hundred people, definitely fewer than 1000 people.

42::05

The tower was built in a valley, so they clearly weren’t concerned with height. God isn’t concerned with height. He didn’t “freak out” when we built the world trade center…

Trying to “reach into heaven” —They were trying to build an Inter-dimensional portal.

“Nothing that they imagine to do will be restrained from them.”

Whatever they were trying to do was at least possible.

According to the extra-Biblical texts, Nimrod had divided the people into three camps. Their objective was to make war with God, conquer heaven, kill God, set up their own gods in the Holy of Holies in Heaven. This was their plan.

In theory, it must have been possible, so God decided to mess up their plans.

70 people groups (70 languages)

Nimrod became Geboren (Giant) This word has to be interpreted in context with what is around it. Scripture says David had his Mighty Men (Geboren).

Three recommended books:

1. Peter Goodgame (redmoonrising.com) The Giza Discovery (online book) – Nimrod is the character involved in most of these items
2. Thomas Horne, “Nephilim Stargates” – A lot of these temples and pyramids are really interdimensional pathways
3. “Apollyon Rising 2012”. deals with the character of Nimrod

These books reveal that Nimrod is THE man of myth. Assyrian, Babylonian, Egyptian, Sumerian, and etc.

He was the Emperor of the Old World Order

45::50
At the tower of Babel, the different languages produced different names for Nimrod.

**Names of Nimrod:**
Gilgamesh  
Baal  
Melquart  
Adonis  
Eshmun  
Dumuzi  
Dionysus  
Bacchus  
Orion  
Marduk  
Mithra  
Ninurta  
Apollo  
Ra  
Osiris  
There are theoretically 70 or more names for Nimrod (each language group that was created at Babel).

What’s the proof? Read about who these other guys were, and it describes Nimrod.

Many depictions of these powerful men are shown striking a lion: A giant killing a Lion. Jesus is the Lion of Judah.

All through history you see depictions of these mighty hunters with different names, but they all are referring to Nimrod.
47::30
The earliest evidence of any civilization points to the 3000-3500 BC time frame. That is about the earliest organized large society found in history. According to the Book of Enoch, that’s when a class of angels called “The Watchers” came down to Mt. Hermon and mated with women (Genesis chapter 6). This is also when the Myan calendar started (3114BC).

The Sumerian religion influenced Mesopotamian mythology as a whole, surviving in the mythologies and religions of the Hurrians, Akkadians, Babylonians, Assyrians, and other culture groups.

It all started in Babylon.
This is in the same time period when the megalithic stone structures were built.

A lot of evidence implies these structures were built before the flood.

“Fallen Angels taught men the use of magical incantations that would force demons to obey man…. This became ingrained into the Egyptians, Persians, and Babylonians.

Nimrod, called Ninus by the Greeks, was handed this knowledge and by it caused men to go away from the worship of God and to into diverse and erratic superstitions and they began to be governed by the signs in the stars and motions of the planets.” —Recognitions of Clement 4.26-29

It starts with Nimrod. It starts in Babylon.
Two dominant Sumerian gods: Enlil and Enki
Enlil is the equivalent of the Hebrew YHWH and Enki is the equivalent of Lucifer.

In their mythology, they worked together to create everything. Enlil’s idea was to have a slave race that would serve them. Enki thought they should have wisdom and knowledge, and we should help them to be more like us.

Enki was the serpent in the Garden to help Eve know about good and evil. Enlil got angry and kicked them out of the garden. Enki showed up and gave them the clothing so they would not be ashamed.

Then over the years, Enlil got sick of the whole mess and decided to wipe out the entire creation. Enki told Noah to build an ark so they could be saved.

These and other related deities are called the Anunnaki.

In many of the ancient carvings and drawings, you see such beings having a human body and a bird head. You see it in the ancient Sumerian as well as the later Egyptian carvings. At some point, there was a cross-over from Sumeria to Egypt.

The name, Pharaoh came about because of the creation of a death tax by Rakion to bury the dead. One day Osiris (Nimrod) came to town, this guy bestowed his wealth on Osiris. Nimrod thought the death tax was great! Osiris changed Rakion’s name to Pharaoh because he was so pleased with him.

Osiris is known by his symbols: the Ankh, the All-Seeing-Eye
The Ankh represents resurrection, it is a symbol for and is associated with Osiris. The All-Seeing-Eye is also a symbol of Osiris. Osiris is often depicted in sculptures as missing the left eye. (Rob claims the bust of Osiris’ head looks a lot like Osama Bin Laden)
The eye on the top of the pyramid on our dollar bill is Osiris’ eye! (Well, it is a left eye.)
This country (The United States) is founded on Osiris. More on that in a while.

Rob believes Nimrod is Apollo in the Greek pantheon
Son of Zeus
Zeus was a real human being. You can visit his tomb
Rob believes Satan took on the appearance/persona and the name of Zeus after Zeus died. (This ties into Jude’s mention of Satan wanting the body of Moses
[9] Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee.
Zeus in the NT is Lucifer (Satan’s seat: Rev. 2, was the altar of Zeus in Pergamum)

Pharaohs thought they were gods
Caesars thought they were gods
Kings thought they were gods in the ancient world
What about presidents?
George Washington
Washington, DC
The Capital building: the dome is called “the Womb of Isis”
The Washington Monument is Osiris’ missing piece
The Apotheosis of George Washington (Ascending into Godhood)
72 pentagrams (binding pentagrams)
You see a depiction of heaven, you see George Washington, but then you see Neptune, you see Vulcan… You don’t see Jesus or YHWH, you see the Greek and Egyptian pantheon with deified George.

When Lincoln died, they made post cards of the Apotheosis of Abraham Lincoln.

1:00:20
There is a sculpture of George Washington posing as Zeus. It was outside at first, but they have now housed it away in a museum. It is the same pose as the occult symbol for Baphomet.

There were Christians who came over to this country, but there were also Illuminists (Illuminati) Free Masons, and occultists on the boat.
The entire layout of Washington DC is related to the occult [with pentagrams and etc] and Greek mythology permeates all of the monuments.
Ecclesiastes 1:9 What has been will be again. What has been done will be done again.
Matthew 24:37 “As it was in the days of Noah”

**Obama:**
many photos are taken with symbols behind his head representing a halo
The statue of Anubis was touring the world as Obama toured, visiting the same
cities at the same times!
Anubis was the god of the underworld until Osiris came down and usurped his
rulership. Anubis was also the god of mummification, and he decided where you
got when you arrived at Hades.
Nimrod was the first to be mummified because they expect him to resurrect.
The pyramids, mummification, and all of the mysticism in Egypt started with the
focus on Nimrod’s resurrection.

At DIA (Rob claims it is an extremely occult facility)
Obama made a replica of the “Seat of Satan” for his acceptance speech in
Denver Colorado!
The “Seat of Satan” in Revelation chapter 2 was the altar of Zeus shown below. It was in Pergamum (Turkey), but was moved to Berlin just prior to World War II.

Obama liked it so much, he made a replica of it for his acceptance speech in Denver, CO.
When he was in Egypt, in 2009, vendors in Cairo made metal plaques to sell, honoring Obama as the new Tutankhamen of the world. Tutankhamen, the son of Akhenaten, brought back the worship of the old gods after Akhenaten had brought everyone to worship one god.

Obama: The one who brings back the worship of the old gods?

Given the Nobel Peace Prize (for nothing at all!) at Norway, and a mysterious spiral sign appears in the sky!

**Who is the antichrist?**

“The Assyrian” is used repeatedly in Scripture about the End Times tyrant. Wan who was, and is not, and yet shall be
WHO IS THE ANTICHRIST?

The one who was and is not and yet shall be
He is empowered by Satan
He recovers from a mortal head wound
He is called, “The Beast”
The Beast has [had] 7 heads
Associated with the desert and secret chambers
The whole world worships him
He sets himself up as king of the New World Order
He thinks of himself as God
He wages war against God
His number is 666
He will be cast alive into the Lake of Fire

The answer can be found in these four scriptures:

Revelation 17
Revelation 13
Revelation 9
Matthew 24

The beast that you saw was, and is not, and will ascend out of the bottomless pit and go to perdition. And those who dwell on the earth will marvel, whose names are not written in the Book of Life from the foundation of the world, when they see the beast that was, and is not, and yet is, “Here is the mind which has wisdom. The seven heads are seven mountains on which the woman sits. There are also seven kings. Five have fallen, one is, and the other has not yet come. And when he comes, he must continue a short time. The beast that was, and is not, is himself also the eighth, and is of the seven, and is going to perdition.”

- Revelation 17:8-11
Who are the seven heads of the beast?

The ancient texts say Esau cut Nimrod’s head off. This took place right before the account of Esau coming in to Jacob and selling his birthright for a bowl of porridge. He was probably more concerned with the repercussions of what he had just done.
His name is Apollo or Appollyon.

Desert or secret chambers:

Wherever the carcass is, there the eagles will be gathered together. Modern translators (to our obfuscation) changed eagles to vultures. But the scripture (Jesus) clearly said “eagles.”

1. The ankh represents resurrection
2. The cross is associated with Jesus
3. Jesus resurrected
4. Osiris is going to resurrect
The empty tomb of Osiris

In 2003, Gilgamesh’s tomb was found in April in Iraq.

2/3 God, 1/3 man (66.6666)
1::14::10
Gilgamesh’s tomb was found in April 2003, our troops went to war there in May, 2003. The first thing our troops did was raid the museum of Baghdad.

It’s likely some very significant artifacts went missing.

December 21, 2010 (winter solstice)
The Moon went into full lunar eclipse (72 minutes) over the shoulders of Orion (also known as Nimrod) – appearing that Orion is holding a decapitated head over his head at 2:22 in the morning Central Time (3:22 AM Eastern Time) 322 is the Skull and Bones “coveted number” (Illuminists) Iraq was just announcing the foundation of its newly formed government The entire planet shook! According to seismographic monitoring. All over the world, they “went into the black.”
In Washington, DC, there is a statue of a bearded god “coming out of the ground” called “The Awakening.”

It could be the sole purpose of America is to coordinate the resurrection of Nimrod.

Every president the US has had has been related (except Martin Van Buren) is from the House of Plantagenet in England.

Where the carcass is, there the eagles will be gathered together. Our military uniforms are adorned with eagles. The Eagle is also the symbol of nearly every world empire going back in history.
We are being set up for the great deception.
A deception that was started thousands of years ago.

Zeus

History Channel documentary trailer “The Clash of Gods”
To the ancients, it was reality.
“IN the myth, Zeus has held on to power in the face of strong opposition. But there was one more challenger he didn’t count on: Jesus Christ. In the first century AD, His message would take the world by storm and dethrone Greece’s dominant god.” “In antiquity, there was no more powerful force than Zeus except for one. [They show a cross.]”

Zeus ruled the world for 3000 years.

They’re working on a TV series to take this information to the world. The world is not coming to the Church. The world wants to be entertained. If we’re going to reach the world, we have to go where the world is. They have to be reached through Parables: culturally relevant stories that speak the truth.
